

A group of people are seated at a long table in a restaurant with a rustic wooden interior. The ceiling features exposed wooden beams and a large circular mirror. The people are engaged in conversation and laughter, creating a warm and social atmosphere. The table is set with white linens, glassware, and a bottle of water.

WHAT THEY'RE SAYING...

"If I could give more than 5 stars I would. I had my daughters baptism on Sunday at Cornerstone and from the very beginning was nothing short of amazing! Nothing was too much trouble! All were accommodating, friendly, smiling, providing great service from start to finish, ensuring all guests were comfortable and happy with food, drinks etc (one even helped my elderly nonna to the bathroom) I have no words!

This was by far one of the best experiences I have ever had at a restaurant we had 92 people and had every single one of them tell me how AMAZING the food and Staff were."

"Yesterday we celebrated my mum's 90th Birthday in the function room at Cornerstone Pizzeria in Coburg. Everything was absolutely spot on, The food was amazing, very generous sizes, everything came out at the right time. All our guests commented about the wonderful room we were in & of course the fabulous food."

"We celebrated my sons Communion at Cornerstone and we had a fantastic night. Our host for the night Emily was amazing, so friendly and catered to all our needs. The food was absolutely amazing and so much of it, our guests are still talking about it, we highly recommend Cornerstone for any event or just a night out. Amazing thank you, will definitely return again. A++++++"

"We held a function of 40 people at Cornerstone Pizzeria last weekend, and could not fault a single thing."

"We recently hosted our child's first birthday at cornerstone and we were very happy with the lead up to the event and the day of. The staff set up the space for us (including placing the activities for the kids) and did such a great job! The food was very generous and very delicious, all our guests left full and happy and kept commenting on the great portion sizes. The staff on the day had great communication and were on the ball."

"Just hosted my son's christening and first birthday here and I couldn't be happier! All the guests were super happy with the food (quality and volume) and the service was immaculate 🚗 always loved this place... I will be hosting all my future events here - if they will have me ❤️"

"Every request was met with a warm smile. Felt like we had gone home to her magnificent Italian cooking! I cannot thank the team at Cornerstone Pizzeria enough for creating such a warm ambient atmosphere making sure the food coffees and drinks flowed while family and friends reminisced of a time that was... generous Antipasti platters, eggplant chips, the best potato chips, calamari, salad and pizzas effortlessly served up until no one was left hungry!

Highly recommended for any occasion. This was our second function at this wonderful establishment and both exceeded expectations"
